## Notification Regarding the Earthquake Felt in Kyushu Area on January 22<sup>nd</sup> 2022

On Saturday, January 22, 2022 at 1:08 (JST), a 6.6 magnitude, medium intensity earthquake struck the eastern part of Kyushu area.

We would like to extend our deepest sympathies to all of those adversely affected by this earthquake.

There have been no injuries or property damage to SMC facilities as a result of this earthquake. As such, SMC is maintaining normal operations.

In addition, SMC is continuing to confirm the conditions of our customers and suppliers.

Respectfully,
